

Year 3 Monet	English			Maths		Science/topic		Creative/Art
	Reading	Web based	Alternative	Web based	Alternative	Web based	Alternative	Get creative!
Mon	Choose a favourite book you have read in the past.		This week all the classes in KS2 are taking part in a poetry competition. See the attachment which has everything you need to know and spend your English time planning, drafting, editing and then producing your own poem.	BBC Bitesize Introduction to fractions (18 th May)	Prepare your fractions resources by cutting out 5 circles like pizzas from plain paper/cereal boxes? (draw round a plate) Fold and label as fractions in different ways.		Make yourself an achievement poster with 5 goals you would like to achieve before the end of the school year.	Choose an activity from our ALL NEW creative Bingo.
Tues	Take time out to find a new place to read around the house.			BBC Bitesize Identifying the fraction shaded (19 th May)	Using your pizza fractions. Can you shade in different parts and write the fraction?	BBC Bitesize Vertebrates and Invertebrates (Y4 13 th May – first parts)	Science 2 day project. Research different animals in their environment and see if you can classify them into animals that are vertebrates and invertebrates.	Choose an activity from our ALL NEW creative Bingo
Weds	Time to complete a book review of a book you have read.		And a reminder you can either enter yourself or email your completed poem to your teacher by no later than 19 th June.	BBC Bitesize Unit and non-unit fractions (20 th May)	Continue using your pizza fractions and make a chart of fractions that are the same, such as one half is equal to two quarters.	BBC Bitesize Vertebrates and Invertebrates (Y4 13 th May - contd)	You can draw and label. Set yourself a target of 10 animals.	Choose an activity from our ALL NEW creative Bingo
Thur	Write your own comprehension questions about a book.		Useful websites: : LoveReading4Kids Poetry Workshop with Joshua Seigal	BBC Bitesize Tenths (21 st May)	Make one new fraction pizza and fold into ten 'slices'. Write as many equivalent fractions as you can!	BBC Bitesize Friction (20thMay)	Investigate 'What is friction?' Which things around your house have slippery surfaces? What things help objects to grip?	Choose an activity from our ALL NEW creative Bingo
Fri	Have quality reading time at a different time of the day.			BBC Bitesize Maths Challenges (22 nd May)	TTRockstars Challenge Day! Practice your times tables and push yourself with the ones you find tricky!	PSHE: Perhaps link your PSHE activity to your English poem. Create a poster with the title ' Changes ' On your poster draw times when you have experienced change – a new class, a new baby brother or sister, a new house? Celebrate good changes!	Time to get musical on Friday afternoon! Put on your favourite music whilst you do your PSHE poster.	

For teacher provided please see the website bbb.co.uk/bitesize/dailylessons. You can also access BBC bitesize by pressing the red button.
