July 2020

Dear Year 1 and 2 children.

I am writing this letter so that you can find out all about me! My name is Miss May and I cannot wait to be your teacher. I live in Nottingham with my partner Dave and our 9 year old twins, Seth and Elsie. I have been a teacher for quite a long time but I have only been at Robert Mellors for 3 years. I love working at Robert Mellors and I love having fun and doing lots of creative learning. I enjoy making things at school and at home with my twins, and we often make a big, glittery mess of crafty things in the kitchen! I also enjoy going outside with my children, we like to go on bikes rides at the weekend. Looking after our planet is really important to me and I try my best to be as environmentally friendly as possible. You might already know how much I love to sing! We will definitely be doing lots of singing and dancing in our class!

I was brought up in Sheffield and my mum and dad still live there today. Both my mum and dad were teachers, but they are now retired and enjoy doing lots of things like bee keeping, art class and helping to look after their local woods. I also have an older sister who lives in London with her little boy called Auri who is 3 years old. We see them whenever we can, Seth and Elsie love playing with Auri!

I cannot wait to be back in school with you all in September, we have lots of exciting learning planned, but we are also going to ask you what you would like to learn about (you might like to tell me about things that interest you in your letter). We are going to have fun this year and we are going to work really hard together to follow our school values - responsibility, respect, resilience, focus, teamwork and compassion. I know you will be really good at this.

We have a lovely team of grown ups in Year 1 and 2 so I know you will all settle in really well. We are going to be in the classroom that I was teaching in last year with Miss Shukla, so if you were in Himid Class last year you won't need to change rooms, we will be in the same one! Some of you will already know me as I may have already been your teacher, but hopefully we can get to know each other even better this year! On a Tuesday I will not be in school as I only work four days each week. We are really lucky to have Mr Raven teaching you all on a Tuesday. Here is a message from him:

*Hello Year 1/2. I am really looking forward to teaching you all every Tuesday. You will already recognise me from playing the piano in our special assemblies and singing practices. I have also probably taught some of your older brothers or sisters. I can't wait to help you with your learning along with Miss May and the other adults - I am sure we will have lots of fun! Enjoy a break during the summer and I can't wait to hear all your news and get to know you more in September. Mr Raven*

I would love to get a letter back from all of you so I can find out more about you and your families. I can't wait to see you all in September!

Yours sincerely,

Miss May
