Tuesday 7<sup>th</sup> July 2020

Dear everybody in my new class,

I am very excited for when we come back to school in September, I am looking forward to meeting everybody and getting to know all about you.

When we come back to school, our classroom will be this year's Banksy class (if you were in the class you are very lucky you do not have to move rooms!). We will have a class made up of Year 3 and Year 4 children. There will be some differences to school compared to what you are used. For example, when we come back to school, everybody will have their own pencil case that it will be their responsibility to look after. There will also be lots of things that will be the same. We will still have our Make a Difference award at the end of every week. We will also still have the same school rules. Can anyone remember what our rules are?

When we come back to school, we will be doing work based on a story called 'The Tear Thief' by Carol Ann Duffy. A video of me reading this story will be uploaded to our school YouTube page so please make sure you have watched this at home. You can watch it as many times as you like. I will be amazed if anyone is able to remember the story off by heart by September!

I thought you would like the chance to hear some things about me. I have two pet rabbits called Bubbles and Buttercup (they are named after the Powerpuff girls!). They live in the house with me and my fiancé Dan, who I am getting married to at the end of the next school year. This means you are the last class who will call me Miss Wheeldon before my name changes!

I also absolutely love to read! So far this year I have read 60 whole books. So far this year, re-read the first two Harry Potter books. The Harry Potter series is my favourite ever, so much that I do a quiz everyday on my Alexa at home. I am a proud member of Hufflepuff. One more thing you might like to know, is that I absolutely love Disney! My favourite characters are Eeyore, Stitch and Dory.

I would love to hear more about you. What are your favourite things to do in your spare time? What are you looking forward to the most when you come back in September?

Yours Sincerely

Miss Wheeldon
