Autumn Term 1: Being Me in My World

	FS1	FS2	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Knowledge	<p>Self-identity Understanding feelings Being in a classroom Being gentle Rights and responsibilities</p>	<p>Self-identity Understanding feelings Being in a classroom Being gentle Rights and responsibilities</p>	<p>My feelings Feeling special and safe Being part of a class Rights and responsibilities Rewards and feeling proud Consequences Owning the school rules The world around me</p>	<p>Hopes and fears for the year Rights and responsibilities Rewards and consequences Safe and fair learning environment Valuing contributions Choices Recognising feelings The world around me</p>	<p>Setting personal goals Self-identify and worth Positivity in challenges Rules, rights and responsibilities Rewards and consequences Responsible choices Seeing things from others' perspective Making a difference</p>	<p>Being part of a class team Being a school citizen Rights and responsibilities and democracy Rewards and consequences Group decision making Having a voice What motivates behaviour Making a difference</p>	<p>Planning the forthcoming year Being a citizen Rights and responsibilities Rewards and consequences How behaviour affects groups Democracy, having a voice and participating Making a difference</p>	<p>Identifying goals for the year Global citizenship Children's universal rights Feeling welcome and values Choices, consequences and rewards Group dynamics Democracy, having a voice Anti-social behaviour Role-modelling Making a difference</p>
Skills	<p>I can talk confidently to other children about myself, home and community I can express my own feelings, and respond to the feelings and wishes of others I am beginning to show an increasing ability to distract myself when upset</p>	<p>I can talk confidently about me and my learning I can understand other children's feelings and talk about fair and unfair situations I understand and can follow the rules and routines I understand why rules are there and</p>	<p>I understand why it is important to use my manners. I can identify and name different feelings human beings experience.</p>	<p>I understand that people might not feel the same as me. I can share my feelings appropriately. I recognise when I need help with feelings. I can identify some of my hopes and fears for this year</p>	<p>I can explain why we have rules and laws. I can participate in the making and changing of rules. I can listen to and show respect for the views of others.</p>	<p>I can explain why we have rules and laws. I can take increasing responsibility for my own choices and I know that actions have a consequence. I can recognise aggressive and</p>	<p>I can explain why we have rules and laws. I can take responsibility for my own choices and goals. I can explain the consequences</p>	<p>I can explain why we have rules and laws. I can explain how human rights protect everyone. I can recognise the value of different people's</p>

	<p>I can follow the rules and routines</p>	<p>what they are intended to achieve I can use and care for materials independently</p>	<p>I recognise how feelings affect my body. I can identify how other people might be feeling. I recognise different things that make me feel good. I feel special and safe in my class I know that I belong to my class and understand the rights and responsibilities as a member of my class I can listen to others and play together. I know how to make my class a safe place for everyone to learn I can recognise how it feels to be proud of an achievement I can recognise the choices I make and</p>	<p>I recognise when I feel worried and know who to ask for help I understand the rights and responsibilities for being a member of my class and school I can help to make my class a safe and fair place I can listen to other people and contribute my own ideas about rewards and consequences I can work cooperatively and understand how following the School rules will help me and others learn I can identify things I can do to look after the wider world.</p>	<p>I can identify ways of facing new challenges. I can see my mistakes, make amends and set personal goals. I can explain how my actions have affected others. I can empathise with other people and situations through topical issues, problems and events. I can help to create a project to make a difference to my school environment.</p>	<p>anti-social behaviours and their effects on individuals and communities. I can make informed choices about my environment. I can begin to respond to, or challenge, negative behaviours such as stereotyping and aggression. I can respond appropriately to other people's feelings. I can identify positive ways to face new challenges. I can identify positive things about my own and others' achievements. I can recognise the worth of other people. I can help to create a project to make a difference to</p>	<p>of not adhering to rules. I can explain how everyone offers a different contribution to a community. I can help to create a project which will make a difference in the wider community.</p>	<p>contributions to our group. I am able to show compassion towards others. I can show increasing responsibility as a member of Y6 and act as a role model for other children in school. I can help to create a project which will make a difference in the wider community.</p>
--	--	---	---	---	--	--	---	--

			<p>understand the consequences I understand my rights and responsibilities within our school rules I can identify things I can do to look after the wider world.</p>			my school environment.		
Big Questions	<p>Who are you and how do you feel? Who is in your family? Why might some children feel happy/sad at nursery? What can we do to help ourselves feel better if we are feeling sad? How does it make you feel when someone won't share with you? Why should we look after our toys? What are our rules at nursery?</p>	<p>What do you like/dislike? Why do you think these children feel happy/ cross/ excited/ sad? How does it make you feel when someone won't share with you? Why should we look after our toys? How can we make sure we are happy/safe/learning in school?</p>	<p>What makes you special? What was do you know to keep safe at school and at home? What does it mean to be a member of our class? How does it feel? What rewards do we have in school? What have you done that makes you feel proud? Do you know what behaviour has consequences? Do you think it's fair?</p>	<p>What hopes do you have for year 2? Do you have any worries about being in year 2? How can you cope with these? How can we manage these worries as a class? Who could you go to with a worry? What does it mean to have rights? What does responsibility mean? How can you be a responsible member of our class? Why do we give rewards? How does it feel to praise someone?</p>	<p>Why is it important to have a goal? When have you felt the most challenged? How did you feel afterwards? What is important about you? Why are rules important? What would the world be like without rules? Should all good behaviour be rewarded?</p>	<p>How does my behaviour affect my class? How does my behaviour affect my school? What does democracy mean? Do you think everyone should have the right to have their voice heard? What motivates you to do well?</p>	<p>What are your goals for Year 5? What does it mean to be a citizen? What does it mean to be treated fairly? Can doing something 'bad' ever be the right thing to do? What do you think is your most important responsibility? Should children be able to vote in elections?</p>	<p>What are you goals for year 6? Can one person change the world? Do rules bring freedom? What is the most important way to make somebody feel valued? What will help us to succeed in working as a group? What is anti-social behaviour?</p>

			<p>Do you understand our new School rules?</p>	<p>How does it feel to be praised/rewarded? Can you identify obstacles to learning? Do you understand the connection between behaviour and consequence? Do you all understand how our new Learning Charter will help us all learn? Do you feel the rewards and consequences are fair?</p>	<p>Why is it important to see things from other people's perspectives?</p>			<p>Are you a good role model?</p>
Outcomes	All children in school to create a shooting star with their goal for the future on. These will form a whole school display.							

Autumn Term 2: Celebrating difference

	FS1	FS2	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Knowledge	<p>Identifying talents Being special Families Where we live Making friends Standing up for yourself</p>	<p>Identifying talents Being special Families Where we live Making friends Standing up for yourself</p>	<p>Families Similarities and differences Understanding bullying and knowing how to deal with it Making new friends Celebrating the differences in everyone</p>	<p>Assumptions and stereotypes about gender Understanding bullying Standing up for self and others Making new friends Gender diversity Celebrating difference and remaining friends</p>	<p>Families and their differences Family conflict and how to manage it Witnessing bullying and how to solve it Recognising words can be hurtful Giving and receiving compliments STOP (several times on purpose)</p>	<p>Community Challenging assumptions Judging by appearance Accepting self and others Understanding influences Understanding bullying STOP (several times on purpose) Problem-solving Identifying how special and unique everyone is First impressions</p>	<p>Cultural differences and how they cause conflict Racism Rumours and name-calling Type of bullying STOP (several times on purpose) Material wealth and happiness Enjoying and respecting other cultures</p>	<p>Perceptions of normality Prejudice Understanding disability Power struggles Understanding bullying Inclusion/ exclusion STOP (several times on purpose) Differences as conflict, differences as celebration Empathy</p>
Skills	<p>I can talk about things I have seen and done I can say what I would like to do I can talk about and describe my house</p>	<p>I can talk about things I am good at and why I can talk about what makes me special and</p>	<p>I can identify some ways my family make me feel loved. I can explain how my family is different from</p>	<p>I can identify some ways in which my friend is different from me I can tell you why I value this</p>	<p>I can recognise positive features about my family and others. 	<p>I learn about other jobs/people who help us</p> <p>I talk about achieving goals</p>	<p>I ask for help from an adult or friend if needed</p> <p>I explore what I need to do to get a job</p> <p>I talk about how I have achieved my goal</p>	<p>internal treasure chest</p> <p>I can tell you about what helped me to succeed in a new challenge and describe how I felt about my success</p> <p>I can choose how to celebrate my success and know how to store it in my internal treasure chest</p>	<p>working as part of this group</p> <p>I can explain how my own and other people's contributions helped the group to create the end product</p> <p>I can explain what felt good and what felt difficult about working in our group</p> <p>I can recognise the difference between a need and a want.</p> <p>I can make decisions about how I would deal with money.</p>	<p>change over time.</p> <p>I can evaluate my own learning process and identify how it can be better next time.</p> <p>I can recognise and express my strengths in tackling a learning challenge and I can plan steps to help me do better next time.</p> <p>I am confident in sharing my success with others and know how to store my feelings of success.</p>	<p>expressing my feelings.</p> <p>I use varied vocabulary to express my feelings.</p> <p>I know what it means to be resilient and to have a positive attitude.</p> <p>I can deal with disappointment by analysing what went wrong and I can use the lessons from a bad experience to help me plan new goals.</p> <p>I can explain how resilience and a positive attitude contribute to a greater chance of success</p>	<p>I can evaluate the ways in which our opportunities and life chances are different.</p> <p>I can evaluate ways in which people spend money and see how this affects the environment.</p> <p>I can identify different risks associated with money (including money being stolen)</p>	<p>motivated to do this.</p> <p>I can justify my group's chosen course of action.</p> <p>I can show how our choice is based on an awareness of the experience and the needs of the people affected.</p>
Big Questions	<p>Was it easy/hard?</p> <p>What can you do now that you couldn't do as a baby?</p> <p>What would you like to learn to do?</p>	<p>What have you found tricky to do and how did you manage it?</p> <p>What will happen if we</p>	<p>What is your special success?</p> <p>How did you feel when you achieved your goal?</p>	<p>How did you manage to achieve your goal?</p> <p>How does it make you feel?</p>	<p>If something is difficult, should you give up?</p> <p>Are dreams and ambitions the same?</p>	<p>Are hopes and dreams the same thing?</p> <p>How might you feel if you do not succeed in</p>	<p>Why do mistakes help us learn?</p> <p>What is your dream for the future?</p>	<p>Doing your best is more important than being the best.</p> <p>To what extent do you agree?</p>

	<p>How do you feel if someone is kind/not kind to you? What would we need to learn to do that job? Have you achieved your goal and how did you achieve it?</p>	<p>give up and don't try? How can you achieve your goal? Can you say something nice to someone else in the room? How does it feel when someone says something nice about you? What things do we need to learn to achieve our dream job? Have you achieved your goal and how did you achieve it?</p>	<p>How have you learnt to...? What steps did you take to achieve your goal? How easy is it to work with your partner? Is anything difficult about this? How does it feel when we start to learn something new? How can you help each other to reach your goals? How does it feel to overcome obstacles and to reach your goal? What successes have you experienced and how do they make you feel?</p>	<p>Is it easier to work towards your goal with someone you get on with well? Why? How does it feel to achieve a task together? What dream do you have? How does your dream make you feel? What is money? Where does money come from? What different jobs do people have in our community? What strengths might you need to do a certain job? What is the difference between a need and a want? How can we look after our money?</p>	<p>How do you feel when you are facing a new challenge? What makes you want to do well? Does everybody have the same obstacles as you? How can you overcome an obstacle? What different feelings do you have? Which feelings do we sometimes need to manage? How can we manage unwanted feelings? What is money? Where does money come from? What happens when you spend money? What is a budget?</p>	<p>reaching your dream? What can you do to overcome disappointment? How do you know if you are doing something well? How would you feel if you achieve your goal? How has somebody helped you to reach a goal? Why is it important to work as a group sometimes? What does it mean to be resilient? How can you be more resilient every day? Is it possible to always be positive?</p>	<p>Does money make the world go round? Are there more important things than money? Why is money important? How do people get money? What job would you like to do when you are older? How would you become that? Would you rather do a job that pays a lot or a job that makes a difference to lots of people? Why do some people have different goals to you? How can we help others to reach their goals?</p>	<p>What is your personal learning goal? How do you know if you have been successful? How do you measure success? How do you feel when you have been successful? What does it mean to make a difference? How can you make a difference to the world? What motivates you to do well? Do others have different motivations to you? Why? Who has made an amazing achievement?</p>
--	--	--	--	--	---	--	--	---

								What is charity? Why are charities important? What makes you want to do well?	How do compliments make you feel?
Outcomes	Children come up with a new year's resolution and create a plan of how they can reach their goal.								

Spring Term 2: Healthy Me

	FS1	FS2	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Knowledge	Exercising bodies Physical activity Healthy food Sleep Keeping clean Safety	Exercising bodies Physical activity Healthy food Sleep Keeping clean Safety	Keeping myself healthy Healthier lifestyle choices Keeping clean Being safe (Including online safety, medicines and household items) Road safety Linking health and happiness	Motivation Healthier choices Relaxation Importance of sleep Healthy eating and nutrition Healthier snacks and sharing food Dental hygiene	Exercise Fitness challenges Food labelling and healthy swaps Attitudes towards drugs Keeping safe and why it's important online and offline scenarios Respect for myself and others Healthy and safe choices	Keeping healthy- including medicines, allergies & sun safety Healthier friendships Group dynamics Smoking Alcohol Assertiveness Peer pressure Celebrating inner strength	Smoking, including vaping Alcohol Alcohol and anti-social behaviour Emergency aid (St John's Ambulance resources) Body image Relationships with food Healthy choices Motivation and behaviour	Taking personal responsibility How substance affect the body Exploitation, including FGM, 'county lines' and gang culture Emotional and mental health Managing stress
Skills	I know some different ways of moving I am aware of physical changes when I exercise I can say what food is healthy and what food is nit I say when I feel tired and hungry I can usually manage washing and drying my hands I understand that equipment and	I understand good practices with regard to exercise and can talk about the physical changes that happen and why I know the importance of a healthy diet I understand the importance of good sleep I can manage my own basic hygiene and	I can tell you why I think my body is amazing and can identify some ways to keep it safe and healthy I can recognise how being healthy helps me to feel happy I can tell you why it is important to have breaks from technology	I can make some healthy snacks and explain why they are good for my body I can express how it feels to share healthy food with my friends I can identify and prepare snacks that are healthy, and explain my choice by saying why they	I can identify things, people and places that I need to keep safe from, and can tell you some strategies for keeping myself safe including who to go to for help. I can express how being anxious or scared feels.	I can recognise when people are putting me under pressure and can explain ways to resist this when I want to. I can identify feelings of anxiety and fear associated with peer pressure. I can explain, with a variety of examples, situations where	I can describe the different roles food can play in people's lives and can explain how people can develop eating problems (disorders) relating to body image pressures. I respect and value my body and I understand the	I can evaluate the benefits of using the internet (including social media) I recognise the importance of spending time offline. I can respond to feelings appropriately and know how to manage stress.

	<p>tools need to be used safely</p>	<p>personal needs successfully I can talk about ways to keep safe</p>	<p>I understand why some technology has age restrictions I can talk about the role of the internet in every day life. I can describe many ways that my body is amazing and I can talk about ways to keep it safe and healthy, and some things that might harm it if I am not careful I know that healthy choices make me feel good about myself and I can tell you how being healthy helps me to feel happy I can wash my hands and know to catch coughs and sneezes. I can identify some medicines that help</p>	<p>are good for my body I can compare my own and my friends' choices and can express how it feels to make and share healthy food together I can brush my teeth. I can identify people who help me stay healthy. I understand the importance of wearing sun cream I can explain how to use internet & digital devices safely. I can recognise that not all information I see online is true.</p>	<p>I can judge the levels of risk involved in different situations and I can select and describe suitable strategies for keeping myself safe, including knowing how to seek help and from whom. I can express and respond appropriately to feelings of anxiety or fear.</p>	<p>I may experience peer pressure and I can suggest a number of strategies for dealing with this. I can identify feelings of anxiety and fear associated with peer pressure and I know how to manage these feelings when making healthy choices. I can explain how bacteria and viruses can affect health. I can maintain good hygiene to limit spreading infections. I can identify the benefits of medicines, vaccines and immunisations. I recognise how and when to</p>	<p>part this plays in maintaining my self-confidence. I can explain the importance of maintaining good hygiene including oral hygiene.</p>	<p>I recognise the warning signs linked to mental health and know how to seek support. I can evaluate when alcohol is being used responsibly, antisocially or being misused. I can tell you how I feel about using alcohol when I am older and my reasons for this. I can give an account of the different ways in which people in our society use alcohol as part of their lifestyle and distinguish between responsible use, anti-social use and misuse. I can reflect on my own feelings</p>
--	-------------------------------------	---	---	---	--	--	---	---

			<p>people stay healthy. I can explain what to do if there is an accident and someone is hurt. I can explain when to call 999 and know what to say.</p>			<p>seek support if I am worried about my health.</p>		<p>about alcohol use and consider what my attitude may be when I am older. I know what to do if I think somebody is at risk of FGM.</p>
Big Questions	<p>Are you feeling warmer? How has your breathing changed? What does your heart do when you're moving/exercising? What does healthy food do to our bodies? What do you do before you go to sleep? Why do you need to wash your hands? What should you do if you get lost?</p>	<p>Why do we exercise and why is it important? Feel your hearts – what is happening? How does your breath/skin feel? What does healthy food do to our bodies? If we eat unhealthy food all the time what does it do to our bodies? What time do you go to sleep and what do you do before you go to sleep? What do germs do if we don't</p>	<p>If you're healthy how do you feel? How can you keep yourself healthy? What healthy choices do you make? How do you feel if you make a healthy choice? Why do we keep ourselves clean? How can we stay safe at home? Who can help keep us safe? What do your face and body feel like when they are poorly?</p>	<p>What things/how do you keep yourself healthy? Why is it important to keep healthy? Can you describe how you feel when you are calm, when you are tense and when you are somewhere in between? How can you tell if others are calm or not? Are you able to learn new things when you are feeling tense? Why do you think medicines</p>	<p>Why is exercise important? What is meant by a healthy food? How do you know if a food is unhealthy? What are the dangers of eating unhealthy foods? What is a healthy habit? How do I know if I am unwell? What is a drug? Why do some people use drugs?</p>	<p>What makes a good friend? How many friends do you need? Is it possible to always be friends with the same people? Why should you follow the guidelines on medicines? What is smoking? What are the dangers of smoking? What is alcohol? What are the dangers of alcohol?</p>	<p>Why do some people choose to smoke or drink alcohol? What is anti-social behaviour? How can alcohol cause anti-social behaviour? What should you do if there is an accident? What do you do if you have hurt yourself? What is your body image? Why is it important to have self-compassion?</p>	<p>Who is responsible for your actions? How can you make sure you are making positive choices? How do substances affect the body? Alcohol should be illegal. What do you think? What is meant by exploitation? How do you know if you are being manipulated?</p>

		<p>wash our hands? How can you get help if you get lost and who can you go to?</p>	<p>How can you help yourself feel better? Why should you not have too much medicine? How do you know when it is safe to cross a road? What does it mean to use your eyes and ears? What do you do at school to keep yourself clean and healthy? Is this different to what you do at home?</p>	<p>come in different forms? Why should medicines only be used in the way they are intended? What do you know already about a healthy, balanced diet? Which foods do you need every day to keep you healthy? How might our bodies be like cars? What happens if we run out of fuel? Which foods do our bodies need? Which food don't our bodies need? Why is it important to give my body nutritious food? Do you think you could swap an unhealthy snack for a healthy snack?</p>	<p>How can I keep myself safe? Why is it important to keep yourself safe? What is respect? How can you show respect? How can we make ourselves feel positive? Is it important to always make healthy choices? What is a safe choice?</p>	<p>Why might somebody choose to use these substances? What does it mean to be assertive? Why is it sometimes hard to do the right thing? What is peer pressure? What would you do if your friends all want to do something you don't want to? How are you strong? What is your hidden super-power?</p>	<p>Why do some people find it difficult to make good food choices?</p>	<p>Do you think being in a gang is a good idea? What is mental health? Why is it important to look after your mental health? How can you look after your mental health? What is stress? How can you prevent feeling stressed?</p>
--	--	--	---	---	--	---	--	--

Outcomes	Discussion- write big question on a piece of paper & stick post its around the edge.	Keeping clean and healthy comic strip	Create a healthy snack recipe (Make and take pictures to store in class folder)	Keeping safe written explanation or create choose your own adventure story (powerpoint to select ideas)	Healthy friendships drama. Film these to show to another class (or create a QR code to put in class folder).	Create Top Trumps cards link to different foods. Assign a rating of different categories decided by children. Play game with group of younger children.	Healthy body, healthy mind magazine. Do as a class collaborative project. Publish and put into school library.

						Should animals be kept in captivity?		with your technology?
Outcomes	Discussion- write big question on a piece of paper & stick post its around the edge. Add to folder.	Friendship dance, work together to come up with a routine.	Compliment bunting	Short films about special relationship.	Drawing collage "our special relationships"	Internet safety posters to display around school or agony aunt solutions to made up problems.	Create a film clip: how to keep safe on the internet	

Summer 2: Changing Me

	FS1	FS2	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Knowledge	Bodies Respecting my body Growing up Growth and change Fun and fears Celebrations	Bodies Respecting my body Growing up Growth and change Fun and fears Celebrations	Life cycles- animal and human Changes in me Changes since being a baby Differences between female and male bodies (correct terminology) Linking growing and learning Coping with change Transition	Life cycles in nature Growing from young to old Increasing independence Differences in female and male bodies (correct terminology) Assertiveness Preparing for transition	How babies grow Understanding a baby's needs Outside body changes Inside body changes Family stereotypes Challenging my ideas Preparing for transition	Being unique Having a baby Girls and puberty Confidence in change Accepting change Environmental changes Preparing for transition	Self and body image Influence of online media on body image Puberty for girls Puberty for boys Conception (in IVF) Growing responsibility Coping with change Preparing for transition	Self-image Body-image Puberty and feelings Conception to birth Reflections about change Physical attraction Respect and consent Boyfriends/ girlfriends Sexting Transition
Skills	I can demonstrate friendly behaviour, initiating conversations and forming good relationships with peers and familiar adults	I can explain my own knowledge and understanding and ask appropriate questions of others I can show sensitivity to	I can identify the parts of the body that make boys different to girls and can use the correct names for these: penis, testicles, vagina I respect my body and	I can identify changes that happen throughout a person's life. I can identify feelings associated with change/loss (including death).	I can identify how boys' and girls' bodies change on the inside during the growing up process and can tell you why these changes are necessary so that their bodies	I can identify what I am looking forward to when I am in Year 5 I can reflect on the changes I would like to make when I am in Year 5 and	I can describe how boys' and girls' bodies change during puberty I can express how I feel about the changes that will happen to	I can describe how a baby develops from conception through the nine months of pregnancy, and how it is born and I recognise how I feel when I reflect on the

	<p>I show affection and concern for people who are special to them I seek comfort from a familiar adult when needed I can express my own feelings and respond to feelings and wishes of others I seek out others to share experiences</p>	<p>others' needs and feelings I can work as part of a group or class and understand and follow rules I can talk about how myself and others show feelings I am confident to speak to others about my own needs, wants, interests and opinions I can describe myself in positive terms</p>	<p>understand which parts are private I can talk about the similarities and the differences between boys' and girls' bodies and can use the correct terms to describe the differences: penis, testicles, vagina I respect my body and I understand how to keep certain parts private, and I can tell you when I should and should not talk about these</p>	<p>I can recognise the physical differences between boys and girls, use the correct names for parts of the body (penis, testicles, vagina) and appreciate that some parts of my body are private I can tell you what I like/don't like about being a boy/girl I can talk about various ways that boys and girls are different, both physically (using the correct terms) and in personality and behaviour; I can talk about the physical differences with respect and understand how to protect my own and others' privacy I can explain how I feel about</p>	<p>can make babies when they grow up I recognise how I feel about these changes happening to me and know how to cope with these feelings I can express how I feel about these changes happening to me and can weigh up the positives and the negatives, and I understand how to manage these feelings</p>	<p>can describe how to go about this I can identify which changes are within my control I can consider and prioritise the changes I would like to make in Year 5 and can plan the approaches I will use to tackle these changes</p>	<p>me during puberty I understand the emotional changes that may take place during puberty I can consider how these changes will affect me and prepare myself for the feelings I may experience</p>	<p>development and birth of a baby I can explain the process by which a baby is conceived, how it develops through the nine months of pregnancy, and the stages of labour and birth I can reflect on how this experience might feel from the point of view of a parent, and express my own thoughts and feelings about it I understand the importance of seeking and giving permission. I can explain the significance of marriage and civil partnership.</p>
--	---	---	--	---	---	---	---	---

				being a boy/girl and talk about what I like and dislike about it				I can reflect on my own feelings about marriage and relationships.
Big Questions	<p>Can you name different parts of the body? What is good for your body? What can you do now that you couldn't do as a baby? What do we have to do to look after seeds and make them grow? Is there anything exciting about going to big school? What fun things have we done this year?</p>	<p>Can you name different parts of the body and what do they do? What do we need to keep healthy and happy? What will we be able to do when we're older that we can't do now? What are you excited about? What are you nervous/scared about? What is your favourite thing about this year? What have you achieved/learnt?</p>	<p>What changes happen in a frog's life cycle? Do we all grow up at the same rate? What do you like most about being you now? What do you want to be when you grow up? How have you changed since you were a baby? What can you do now that you couldn't do when you were a toddler? What do other living things look like at the beginning of their life cycle? How much have we all changed since we were babies? How do you tell the difference</p>	<p>How do things around us change? What does change feel like? How do things change in life cycles? How do our faces/bodies change as we grow older? Who do you know that is old? What were you like as a baby? How are you different now? How will you be different/how will your life change as you grow up? Can you remember the names of the body parts that make boys and girls different? Are the clothes boys and girls</p>	<p>How do humans grow throughout their lives? What do babies need to be well? Do they have the same needs as older children? How do our bodies change on the outside as we get older? How do our bodies change on the inside as we get older? Are all families the same? What is a stereotype? Should we stereotype people? Do you agree that everyone is</p>	<p>What does it mean to be unique? What makes you unique? Why do some people chose to have a baby? What does it mean to be a parent? How do girls change during puberty? Why do girl change during puberty? How does change make you feel? Are all changes equal? Do changes effect everybody in the same way?</p>	<p>What is your body image? How does the media effect your view of yourself? Should all people have the same body type? How do girls change during puberty? How do boys change during puberty? Why do changes during puberty take place? What is IVF? What is adoption? How do you responsibilities change as you get older?</p>	<p>How do you see yourself? What is your most amazing feature? What does physical attraction mean? Who might you be physically attracted to? What is a girlfriend/boyfriend? Who should have a girlfriend/boyfriend? Should a girlfriend/boyfriend ever pressure you into doing something you don't want to? What is consent? What is sexting? How are you feeling about moving to a new school?</p>

			<p>between boys and girls? What are the right names for the body parts that make boys and girls different? Which of our body parts do we normally keep private? What might you learn to do as you grow up? Think of a time when you had a big change in your life, how did you feel?</p>	<p>wear always different? What do you like/dislike about being a boy/girl? What sort of touch do you like and how does it make you feel? What sort of touch do you not like and how does it make you feel? What changes have happened? What changes might happen?</p>	<p>entitled to their opinion? Are changes always a bad thing? What has been your favourite thing about year 3? What changes have happened this year? How might next year be different?</p>	<p>How has the school environment changed since you came here? How has the local environment change in your life? What has been your favourite thing about Year 4? How might next year be different?</p>	<p>It is impossible to prepare for change. To what extent do you agree? How does change make you feel? What has been your favourite thing about Year 5? How will next year be different?</p>	<p>What has been your favourite memory of being at Robert Mellors? What are you looking forward to about next year? What might be different next year?</p>
Outcomes	<p>Children create a piece of work to send to their next teacher. This could be a letter explaining what they are looking forward to, an 'all about me' booklet (or something else if you have any other ideas!) + Normal transition work we would do.</p>
