Dear Parents/Carers,

I hope that this letter finds you well.

I am writing with a request from myself and the local police.

Children have been spotted near and on the school grounds in the past few weeks. This has resulted in some costly damage to school property. More importantly, it means that rules put in place to help to prevent the spread of coronavirus are being broken, which puts people at greater risk of contracting the illness.

We fully support the request from the police that;

- Parents ensure that children are not out playing and that they should only be out for one period of exercise a day and **only** with people from their house hold.
- Parents and residents ring 101 to report anyone seen on or near the school field causing damage.

I would be very grateful for your support in this matter.

Best wishes

Mrs Essex
