

Robert Mellors Primary Academy

Year 5 History Homework

We are currently living through a world event which will become part of history in the future. This term, we have learnt all about the Titanic which is a key historical event that was known about the world over. For your history task, we would like you to pick another key historical event. For example, The Great Fire of London, WW2 etc.

Do some research about it and then answer the questions below (you can print this off or write the answers in your book):

What key event have you chosen?

What are the key dates for your event?

Where did your event take place?

Describe what happened during your chosen event.

How do you think the event impacted on people's lives? For example, how were people's daily lives affected?

Think about the key event that you have chosen and what is happening now. Is there anything about the events that you think is similar? What do you think is different?
