Dear Parents/Carers,

What a strange Easter it has been – but we have been blessed with some lovely weather which I hope you and the children have been able to enjoy.

As of Monday, we will be back in ‘term time’ and we will begin to direct you and the children towards learning activities that can be done at home. We will continue to add things on to the website and will let you know when there is new content via text message. All content will have a date next to the link so that it is easy to find in the different sections for each year group. If you haven’t already done so, please have a look at the useful weblinks that are at the top of the School Closure page.

To help you to re-establish a learning routine, we have created suggested timetables aimed at different age groups which you might **choose** to use. These are only suggested timetables and we don’t want you to feel under any pressure to use/follow these, however we wanted to provide something which might be useful.

Links to these are below. In addition to this, each teacher has created a short video clip which explains the routine which you might choose to show your child/ren.

Suggested Routines	Website links

Please note that due to technical issues, we have been unable to upload the link of the clip from Mrs Harris – we will try to resolve this problem tomorrow. In the meantime, the message from Miss May has very similar content for Year 1 children.

You may have noticed that the website has photographs of learning and activities that some of your children have been doing – you can find these by scrolling to the bottom of the section which is aimed at each year group. If you wish to share anything with us, please do so via the class teacher email addresses and don't forget that you can use this means of communication to ask any questions that you might have. We are trying to tweet useful items and activities on our school twitter account. If you want to follow us, the school twitter handle is @RobertMellorsPA.

There is a lot of speculation in the press about when schools will be re-opening for all children. We only have the same information as you do and we await further guidance and direction from the Department for Education regarding this. We do know that the health and safety of all children and adults will be the main consideration in any decision that is made.

In the meantime, though, we really miss you all. We want to be here for you in whatever way we possibly can. Please keep in touch with us – share good news with your child's teacher and let us know if you need any help. We will do whatever we can.

Best wishes

Mrs Essex
