

## **Maths**

1) Play a game of Fraction Match pairs with a parent or a brother or sister.

[https://cdn.oxfordowl.co.uk/2017/02/14/16/56/23/874/Fraction\\_Match.pdf](https://cdn.oxfordowl.co.uk/2017/02/14/16/56/23/874/Fraction_Match.pdf)

Create the cards shown on the activity sheet (if you cannot print the sheet, write the fractions on pieces of paper by hand).

**Challenge:** Visit <https://nrich.maths.org/13728>

Watch the video and answer the questions.

Remember to visit <https://whiterosemaths.com/homelearning/year-4/> and work through the activities on Week 1 and 2.

Play TTrockstars! I have set a challenge to do 10 garage games in a week. There was somebody in our class last week who played 52 times! Well done 😊
