Dear Parent/Carer,

## LOOKING AFTER YOUR CHILD WITH A HEAD INJURY

Your child has sustained a head injury at school today.

Please seek advice if any of the following occur within the next 3 to 4 days:

1. If our child is sick more than twice in one day.
2. If your child complains of a persistent headache after paracetamol.
3. If your child becomes unusually sleepy or is hard to wake up.
4. If your child has a convulsion (fit).
5. If your child changes in behaviour or is not his/her self.

Your sincerely,

Mrs Essex
