Dear September's Year 6

Hello. I hope you are all well and have been staying safe and healthy during your time away from school. It has been very different here in school for the last few weeks without you but I am looking forward to welcoming you back in September. You may even have lots of things to show me that you have been up to while you have been at home. I know Mrs Ross and Mrs Steel would have been keeping you busy!

When you return in September, we will be doing some work based on the book: What do you do with a Problem by Kobi Yamada. Soon, there will be a video of me reading the book on our school You Tube channel. Look out for that!

Until I see you in September, keep your mind and body active. Keep looking at the home learning being provided by Mrs Steel and Mrs Ross and practise key skills such as spelling, times tables and reading as much as you can.

Take care,

Mr Eggleston
