Transition

With just two weeks left of being in Year 1, we are going to focus on the transition process of moving from Year 1 to Year 2. This will be easier for some than others, especially for the children who have home schooled over the last few months. If there is anything you are particularly worried about please just make contact and we will help in whatever way we can. This week will be a focus on their time in Year 1.

Monday Letter

Read the letter from your Year 2 teacher. You will have found out on Friday 10th July in your child's report. If you have not received it yet please email your class teacher to find out.

Thursday Memory Box

Over the last year we have created some fabulous memories from our time in Year 1 (despite it being cut short). Find a jar or bottle and write down as many memories as they can. You might colour code them. Red for trips, green for friendships, yellow for teachers. They could personalise their jar by decorating it. If you need some reminders look on your Seesaw page.

Friday -Achievements

Your child has achieved so much over the course of the year and now it is time to reflect on what makes them proud. Ask your child to think about their proudest achievements not just in the classroom but out of it too. After discussing your child's accomplishments, ask them to choose one. Work together to design and create an achievement medal. Do this by cutting a piece of card into a circle or a star, painting it gold or sticking gold paper on it. Why not have a ceremony and present the medal to your child!
