Transition

With just two weeks left of being in Year 2, we are going to focus on the transition process of moving from Year 2 to Year 3. This will be easier for some than others, especially for the children who have home schooled over the last few months. If there is anything you are particularly worried about please just make contact and we will help in whatever way we can. This week will be a focus on their time in Year 2.

Wednesday Sports Morning

Foundation and Key Stage 1 Sports Day

Date: Wednesday 15th June @ 9.45am

This year we cannot do our usual sports day so instead we have arranged a socially distanced sports day for us to enjoy in our groups. We would love it if you could join in with us at home.

1. Jumping jacks (1 min)

2. Egg and spoon – If you don't have a real egg scrunch up a piece of paper instead. If you do not have anyone to race against see how long you can balance it for.

3. Bring sally up - squats (Flower song by Moby) simple squats up and down for length of song [Click link to hear song](#)

4. Javelin - homemade. Roll up some old newspaper to make a javelin. Measure how far it has gone (footsteps will be fine). Best of 3 throws.

5. Hopping - race at school, or hop for 1 min at home.

Thursday Bridging Book

Listen to your teacher read your bridging story *The Dot* by Peter Reynolds. You can find this on the Robert Mellors Youtube channel, click this link to get there:

You will be doing work based around this book when you start Year 3.

Try to listen to it during the holidays so you know the story really well.

Friday Memory Box

Over the last year we have created some fabulous memories from our time in Year 2 (despite it being cut short). Find a jar or bottle and write down as many memories as they can. You might colour code them. Red for trips, green for friendships, yellow for teachers. They could personalise their jar by decorating it.
