## Tuesday Symmetry

Symmetry means both sides are the same. Use the template below or draw your own butterfly then design it some symmetrical wings.

Wednesday Repeating a pattern

1. Write the names of these shapes beneath the pictures.

\_\_\_\_\_

2. Which shapes comes next in this sequence? \_\_\_\_\_

3. Which shapes comes next in this sequence? \_\_\_\_\_

4. Which shapes comes next in this sequence? \_\_\_\_\_

Now make some repeated patterns of your own.

## Thursday Days of the week and months of the year

Practise saying and writing the days of the week and the months of the year.

Make sure you spell them correctly.

Make a chart with all the important dates for your family.

Eg:

January	February	March Easter	April 13 <sup>th</sup> sister's birthday 25 <sup>th</sup> Mum's Birthday
May 7 <sup>th</sup> see grandad	June	July 25 <sup>th</sup> school holidays start	August
September Back to school	October	November 5 <sup>th</sup> Bonfire Night	December 25 <sup>th</sup> Christmas Day

## Friday Direction

Draw a map to show your route to school. Then use positional language to tell someone how you get to school.

Positional language					
left	right	forwards	backwards	half turn	quarter turn
			whole turn
