Dear Year 1 and 2,

I wanted to introduce myself to you and to the adults who look after you. My name is Mrs Harris and I have been a teacher at Robert Mellor's for over 10 years now. The thing I love the most about our school is how much we all look after each other and take care of each other. We show compassion to each other every day. It is very important to me that we all have a happy time at school so that we can do our very best learning and be the best that we can be.

Some of you already know me but others not so much so let me tell you a bit about myself. I live with Mr Harris and two of my children Joshua (19) and Honey (15). My other daughter lives in her own house, her name is Ashleigh and she has a little boy called Milo. I have a dog called Dexter who does not always make the right choices. He has eaten a lot of shoes and remote controls.

In September you are going to be in a class with some of your current F2 friends and some current Year 1 children. Do not worry about not seeing your other friends we will be joined together with the other Year 1/2 class through the middle room so you will still be seeing them. The older children will look after you and help you if you are not sure about something, they are all really nice. We are a team at all times.

I will make sure our classroom has all of your favourite areas in it and we will also be able to go outside for much of the day. You may have some questions for me so you can get your adult to send me an email with any questions on and I promise I will get back to you. I am looking forward to meeting you all. Have a lovely summer and I will see you all on the first day back at school.

Lots of Love
