

Merry Christmas from all at Robert Mellors!

Dear parents/carers,

Wow – what a great couple of weeks we have had at RMPA. As I have mentioned during the performances that we have shared with you, things have been a bit different this year, but we have not let Covid get in the way of our Christmas celebrations which help to make a primary school everything that it should be at this time of year.

A massive thank you must go to Santa who came to visit and to give presents of books to the children. I have heard happy children talking about the books that they have received. Our Parent Fundraisers have made these gifts possible with their ongoing fundraising activities – so a big thank you to them as well. The children enjoyed reading their books with a hot chocolate in Jolabokafloð.

Your kind donations have been gratefully received – a child was heard to comment on how generous people have been in your gifts. We know that this will really make a difference for families in the community.

Santa visited on Thursday and everyone enjoyed meeting him. He led congas around the playground!

Year 3 & 4 became the first year group to perform outdoors – with Mr Raven on the piano in the cupboard!!

Our Foundation stage children showed off their beautiful singing and excellent dancing

Y5&6 and Foundation children also joined in with the outdoor performances. It was fantastic to see signing being used so that everyone could be included.

Children in Y1&2 filled the hall with their beautiful singing and wonderful acting.
