

Nursery Charges 2026

For children entitled to 30 hours of funding (2 or 3 year olds), we make optional additional charges for any additional time in school.

These charges are optional, parents may choose to bring their child later and therefore not take up the additional half hour session in school each day.

The times of day and related costs are as follows:

8:45 – 3:15 (£10 weekly charge)

or

9:15 - 3:15 (No charge)

You may send a packed lunch to school for your child.

If your child requires a hot dinner this is an additional charge of **£3** and this should be ordered using ParentPay.

Nappies and other care items

We do not charge for nappies or resources. We do ask that parents provide their own nappies, wipes and nappy sacks.

Enrichment activities

We occasionally book trips or visitors, these may incur an optional charge. No child will be excluded from any experience, however we reserve the right to cancel a planned event if we do not receive sufficient funding.
